WORK & INTERNSHIP EXPERIENCE

Gymnastics Coach (Paid, 12 hours/week)

MAR 2023 - Present

- Head coach for a total of 400+ students in Pre-School, 101, Pre-Competitive Team, and Summer Camps (coaching 100+ students this fall).
- Collaborated with coaches and parents to run high-quality programs and develop curriculum.
- Invited to the Gymnastics Association of Texas (GAT) Conference to train under leading industry professionals in coaching, hands-on spotting, gymnast psychology, and child development.

Go-To-Market (GTM) Strategy Intern, MockStreetAI

SEP 2025 - Present

- Collaborated with founders to define and execute the B2C go-to-market strategy for MockStreetAI, an AI-powered finance interview preparation platform, driving the startup to achieve 4-figure Monthly Recurring Revenue (MRR) in two months.
- Led comprehensive market research and in-depth competitor analysis spanning 20+ industry players to uncover market whitespace and sharpen product positioning for strategic advantage.
- Launched targeted outreach campaigns to university finance clubs and LinkedIn communities, growing early-access signups by 40% in 3 weeks.
- Designed and A/B-tested highly personalized cold email and landing page copy, resulting in a 2.3x increase in conversion rates from free users to paid subscribers.

Consultant, Leadership Initiatives International Internship Program (LI-IIP)

JAN 2024 - DEC 2024

- Served as a strategic advisor to a small business in Bauchi, Nigeria. Developed a data-driven advertising strategy and a comprehensive financial plan with a detailed budget and cash flow analysis; designed and executed marketing campaigns.
- Led monthly client strategy reviews to assess progress, optimize implementations, and drive consistent alignment with business objectives, ensuring sustained growth and measurable results.
- Secured \$700 in funding to advance community initiatives in Nigeria, integrating targeted fundraising with strategic business support to ensure sustainable development and maximize local impact.

Banking and Technology Intern, Red River Think SMART

JUN 2023 - AUG 2023

- Networked with banking professionals to gain insights into industry operations and best practices.
- Gained hands-on experience with computer hardware, cabling, cloud technologies, and IT operations.
- Strengthened presentation, communication, and professional soft skills by engaging in impactful client interactions and collaborative team initiatives.

LEADERSHIP & VOLUNTEERING

Vice President, [DECA](#)

AUG 2022 - Present

- Directing operations for the #2 world-ranked DECA chapter, overseeing 634 active members, and driving excellence across district, state, and international competitions.
- Spearheaded a 5K charity run with over 500 participants, securing sponsorship from 4 corporations for the event and successfully raising over \$10,000 in funds for teachers. Orchestrated all event logistics, including permits, road closures, and safety measures, in partnership with the City of Austin.
- **Former Training Director:** Launched a comprehensive chapter-wide prep program for 100+ students, implementing targeted 1-on-1 training that increased our chapter's State qualification rates by 30%.
- **Former Online Events Director:** Expanded the online events program by 70+ students, leading engaging webinars and developing comprehensive resources that empowered students to achieve success on the international stage.

Selected Representative, Decision-Making Committees & Advisory Boards

SEP 2022- Present

- **RRISD VOICE**
 - Selected as 1 of 8 students from my school to serve on a school district-wide advisory committee to represent and advocate for the interests of 40,000+ students.
 - Collaborated with Texas Representative, School Superintendent, and advocacy leaders to implement a student well-being campaign for the Texas Association of School Boards (TABS).
 - Invited speaker for the Round Rock ISD Student Leadership Summit, leading a lecture for 100+ students on "*Networking: How Collaboration Fosters Success*"
- **Principal's Advisory & On-Site Committee**
 - 1 of 15 students selected to evaluate curriculum and analyze school data to inform decisions on academic integrity, safety, school policy, and opportunities for 2800+ students.
- **Business Advisory Board:**
 - Collaborated with teachers and business professionals to direct resume workshops and mock interviews, equipping 300+ peers with professional skills for career readiness.

Co-Founder & Lead Mentor, LevelUp Leaders

AUG 2023-Present

- Scaled a business education program to 11 middle schools, impacting 500+ students, driving outreach in underprivileged regions to advance educational equity and broaden student access to transformative learning opportunities.
- Designed and facilitated interactive workshops that introduced students to business fundamentals, entrepreneurship, and diverse career pathways, inspiring early engagement and skill development.
- Created and delivered an online workshop series empowering smaller clubs to launch business competitions and career exploration programs, fostering growth and expanding student opportunities.

- **Intern, Archival Project (JAN 2024 - AUG 2025)**

- Spearheaded archival initiatives under a City of Austin-funded grant to preserve Indie Meme's history and project materials at the Austin History Center.
- Conducted and documented 30+ in-depth interviews with filmmakers, actors, board members, and other influential figures, capturing the key narratives shaping Indie Meme's journey.
- Transcribed over 50 hours of content and curated archival materials, including posters, trailers, and metadata, to enhance long-term preservation and facilitate public access to Indie Meme's legacy.
- Link to an interview:
https://ahc.access.lyrasistechnology.org/repositories/2/archival_objects/148538

- **Event Volunteer**

- Engaged in outreach initiatives, traveling to various cultural and community events, including Holi and Diwali Festivals, and the Austin Economic Development meetings.
- Efficiently managed guest arrivals, ushered attendees to their seats, and scanned tickets, ensuring smooth operations and a positive experience for over 300+ attendees at each event.
- Led the collection and evaluation of film ballots, providing valuable insights into audience preferences and contributing to future programming decisions.

President, [National Technical Honor Society](#) (NTHS)**SEP 2023 - Present**

- Leading a 100-member chapter. Organizing community service projects, volunteer initiatives, and social events that deepen member engagement and amplify community impact.
- Directed large-scale service initiatives, including teacher appreciation for over 50 educators, school STEM nights, and literacy drives that donated 1000+ books and 400 bookmarks to underprivileged children, significantly enriching educational experiences and community support.
- Coordinated career fairs and outreach programs that connected high school students with industry professionals, expanding access to mentorship and real-world career insights.
- Former Treasurer (2023–24): Secured over \$500 in funding to support chapter initiatives and local community organizations, directly enhancing program resources and community outreach.

President, Economics Club**AUG 2023 - Present**

- Achieved 100% growth in club membership within one year by implementing targeted outreach and dynamic engagement initiatives, significantly strengthening the club's presence and impact.
- Organized competitions, delivered economics lessons, and provided peer tutoring to enhance members' applied understanding of economics, resulting in 80% of participants reporting improved scores.
- Leading in-depth case studies analyzing current economic policies, such as the GENIUS Act and Federal Reserve initiatives, fostering critical discussion and actionable insights among members.

Team Lead, New York Academy of Science (NYAS) Ethical AI**AUG 2024- DEC 2024**

- Admitted as a fellow into the academy with an exclusive 10% acceptance rate. Selected from a competitive pool of 17,000+ global applicants across 10+ countries.
- Collaborated with international researchers under the mentorship of Prof. Christos Liambas, a Digital Forensics and Computer Science Expert, to investigate the ethical implications of AI in education.
- Researched, designed, and piloted an innovative AI-driven solution to address ethical challenges and implementation barriers in the education sector, pioneering advancements in responsible AI.
- Collaborated with 3 school districts across the globe (US, India, Australia) to gather stakeholder feedback and conduct controlled test groups, integrating real-world insights into solution development.
- Project Proposal: <https://saisha08.github.io/profile/assets/EduTech%20Innovators.pdf>

Co-Founder, [Generation STRIVE](#) (HOSA – Future Health Professionals)**AUG 2024 - Present**

- Created a 10-hour comprehensive lesson plan on bone health and mobility awareness for the elderly community, to empower them with practical knowledge and enhance their well-being.
- Conducted lessons for over 60 senior citizens at retirement homes, resulting in 78% improvement in awareness and knowledge on bone health as measured by exit surveys.

BOLD@Olin WashU**JUN 2024 - JUL 2024**

- Selected as 1 of 40 students nationwide for a highly competitive business program at Washington University's Olin Business School, demonstrating exceptional leadership and academic distinction.
- Completed rigorous college-level coursework in economics, marketing, professional development, and game theory, building a strong foundation in analytical thinking and strategic decision-making.
- Developed an innovative marketing campaign for Rosati-Kain High School to address post-COVID enrollment decline; awarded the top team proposal for strategic effectiveness and creativity.

Team Captain, National High School Ethics Bowl**AUG 2024 - Present**

- Heeley Award Recipient; Nationals Qualifier.
- 60+ hours of research on ethics relating to policy, philosophy, and community affairs.
- Featured Article: <https://www.uttyler.edu/research/centers/ethics/ethics-bowl/>

Team Lead, Wharton Global High School Investment Competition**SEP 2023 - DEC 2024**

- Conducted in-depth data analysis and industry research to drive informed and optimal investments
- Ranked within the Top 15% for portfolio returns.

ACADEMIC & RESEARCH

Indiana University Bloomington 2025 Datathon & ML

JUL 2025 - AUG 2025

- Researched Natural Language Processing to detect hate speech under Dr. Daniel Miehl, Prof. Gunther Jikeli Jr., and Prof. Damir Cavar.
- Developed a comprehensive labeled dataset of X social media posts using advanced multi-label annotation techniques, and ensured data reliability by measuring inter-annotator agreement with Krippendorff's Alpha.
- Fine-tuned the HuggingFace transformer model (twitter-roberta-base-offensive) in PyTorch to enhance offensive language detection accuracy on social media datasets.
- Investigated the intersection of computational social science, natural language processing (NLP), and AI ethics, analyzing implications for content moderation, algorithmic fairness, and technology policy development.
- Portfolio: <https://github.com/saisha08/Team-2---IU-Datathon-2025>

Research Assistant, American University NLP Hate Speech Detection Project

OCT 2025 - Present

- Collaborating with Professor Nathalie Japkowicz to develop a Natural Language Processing (NLP) application for detecting hate speech, with an initial focus on antisemitic content in social media posts.
- Designing and training machine learning models to identify linguistic patterns associated with hate speech across diverse demographics.
- Leading efforts to expand model applicability to detect hate speech targeting Anti-Asian, Anti-Islamic, and Anti-Black communities, improving inclusivity and dataset representation.
- Conducting data preprocessing, model evaluation, and performance optimization using advanced NLP techniques and ethical AI frameworks.

Roundpier

JUN 2024 - AUG 2024

- Authored and presented a comprehensive literature review paper to a panel of medical professionals on *"Rheumatoid Arthritis: Analyzing the Hormonal, Genetic, and Physiological Differences in Males and Females in the Development and Treatment of RA"*.

SPORTS & ARTS

Competitive Gymnast, Austin Gymnastics Club

JAN 2017 - Present

- Captained 14 girls, mentoring and leading the team to win at State and Regional competitions while managing team dynamics and morale.
- Trained 10+ hours per week to master advanced gymnastics skills; competed at the regional level, earning top placements in events such as floor, beam, bars, and vault.
- Demonstrated resilience and focus under pressure, performing consistently in front of large audiences and judges.

Violin, Soloist and Orchestral Player

APR 2018 - MAY 2025

- Performed as first violinist in the school's Varsity Orchestra, entertaining audiences of 100+ at over 30 concerts, festivals, and community events.
- Selected to perform with the Texas Music Educators Association (TMEA) All-Region Orchestra, collaborating with top musicians across the district in a highly competitive ensemble.
- Contributed to the TMEA Orchestra of the Year distinction through consistent performance excellence and leadership during rehearsals and competitions.
- Mentored younger violinists in middle schools in technique and audition preparation.
- Earned Grade 5 Certification with Distinction (College Level Credit) from Trinity College London in Violin and Music Theory.

Ballroom Dancing, Pro/Am Competitive Dancer

AUG 2024 - Present

- Competed as an American Smooth dancer in all four styles (Waltz, Tango, Foxtrot, and Viennese Waltz), showcasing technical precision and artistry.
- Achieved State Gold Champion title in all four American Smooth dances.
- Performed in statewide competitions before audiences of 200+, earning top evaluations.

ADDITIONAL SKILLS AND INFORMATION

Languages: English (Fluent); Spanish (Conversational)

Technical: **QuickBooks Certification**, Python Coding, Certiport-certified in Microsoft Platforms

Hobbies: Calisthenics, Card-Making
